

The DFG Research Training Group "Digital Platform Ecosystems (DPE)" offers positions as

Research Assistant

with a working time of 15 hours/month

for an initial period of 6 months **starting ASAP** (later entry dates possible).

The salary is 12,00 Euro/hour for Bachelor students and 14,00 Euro/hour for Master students.

Job description:

- Literature research
- Preparation of datasets according to current research needs
- Other activities on request

What we offer:

- Deep insights into empirical work in the fields of environmental/energy economics and economics of digital platform
- Flexible working hours
- Possibility of working remotely (upon agreement, a working space in HK16 can be provided)
- An open and international work environment at the research training group

Your profile:

- Enrolled as a student (Bachelor or Master) at the University of Passau without a master's degree
- Working skills in data processing and related software (preferably Python, with experience in pandas and numpy libraries)
- Working proficiency in English (C1)
- Ability to work independently, with diligence and reliability
- Strong interest in applied microeconomics and/or microeconometrics is a plus
- Knowledge of web scraping is a plus

The University of Passau intends to increase the percentage of women and strongly encourages women to apply. The position is suitable for severely disabled persons. Severely disabled applicants will be given preference in the case of equal suitability, expertise, and experience.

We look forward to receiving your application documents (1-page cover letter, curriculum vitae, transcript of records and other relevant certificates).

Please send your application documents by mail only and in one single PDF file to mengxi.wang@uni-passau.de with the subject 'RA Application' and **by February 11, 2024**. These will be deleted no later than five months after completion of the application process.
