

Dr. Florian Lichtnecker:

Florian Lichtnecker is a German Lawyer with a special qualification as Certified IP Lawyer and partner of a patent and law firm. In his daily practice he consults and assists clients of all sizes from Germany and around the world in all kinds of intellectual property matters (e.g. trademark law, patent law, design law, unfair competition law, copyright law).

Before founding his IP law firm „LICHTNECKER & LICHTNECKER“ Florian worked at several specialized IP law firms in Munich. He holds a PhD in law from the University of Passau where he also studied.

Further information about his areas of activities are available on his website:
