

The Chair of Strategic Management, Innovation, and Entrepreneurship offers positions as

**Research Assistants**

with a working time of (up to) 20 hours/month  
for an initial period of 6 months **starting ASAP** (later entry dates possible).

The salary is 13,98 Euro/hour.

The position provides a great opportunity to gain first-hand insights into academic research and teaching while becoming part of an inspiring and international environment. The role includes conducting literature reviews, assisting with data collection and analysis, and supporting the preparation and organization of courses and research activities. The student will also contribute to administrative and communication tasks and thus gain a comprehensive understanding of how research and teaching interact in practice.

**We offer...**

- fascinating insights into state-of-the-art research  
as part of an internationally competitive platform for interdisciplinary research
- autonomous and independent project and time management
- a kind and open-minded team at the Chair
- working space in our office with the possibility of working remotely

**We are looking for...**

- students (Bachelor or Master) from any field – e.g., Business Administration and Economics, Digital Transformation in Business and Society, Governance and Public Policy, Intercultural and Business Studies, European Studies, or Geography – who will remain enrolled at the University of Passau for at least one more semester
- interdisciplinary thinking
- independent, diligent, and reliable work
- interest in contributing to and advancing science
- very good English skills

We look forward to receiving your application documents (cover letter, CV, transcript of records, and—if applicable—copies of previous school and work references).

Please send your application by email only, as one single PDF file, to [moritz.maier@uni-passau.de](mailto:moritz.maier@uni-passau.de) by 22 October 2025.
