

The DFG Research Training Group "Digital Platform Ecosystems (DPE)" offers a position as

Student Assistant

with a working time of 20-30 hours/month

for an initial period of 12 months **starting ASAP** (later entry dates possible).

The salary is 13,25 Euro/hour for Bachelor students and 15,25 Euro/hour for Master students.

The student will support Nour Shaaban and Johanna Zimmermann in the Research Area B "**Data Exchange in Platform Ecosystems**".

The work involves diverse tasks in research and organization. However, the focus is on literature research and analysis as well as getting involved in qualitative and quantitative studies in the following research areas:

- **Consumer privacy decisions on digital platforms**
- **Incentives, procedures and behavioral patterns of individuals with regard to exchange of data with the platform**
- **Role of habits, affects and heuristics in data disclosure on digital platforms**
- **Antecedents of data disclosure and changes in consumer decisions over time**

In addition to these research activities, the preparation of courses as well as organizational tasks are part of the job as a student assistant.

We offer...

- Fascinating insights into state-of-the-art research at an internationally competitive research training group
- Autonomous and independent project and time management
- A kind and open-minded team at the research training group
- Working space in our modern offices in HK 16 with the possibility of working remotely

We are looking for...

- students (Bachelor or Master) in Business Administration and Economics, Computer Science, Digital Transformation in Business and Society, Governance and Public Policy, or Intercultural and Business Studies who will remain at the University of Passau for at least one more semester
- interdisciplinary thinking
- independent, diligent, and reliable work
- interest in contributing to and advancing science
- interest in joining the community of the RTG
- very good English skills

The University of Passau intends to increase the percentage of women and strongly encourages women to apply. The position is suitable for severely disabled persons. Severely disabled applicants will be given preference in the case of equal suitability, expertise, and experience.

We look forward to receiving your application documents (cover letter, curriculum vitae, transcript of records and copies of previous school and work references).

Please send your application documents by email only and in one single PDF file to johanna.zimmermann@uni-passau.de and **by September 30, 2024**. These will be deleted no later than five months after completion of the application process.
