

The

invites you to enter the

28th International Competition of Master's Theses on Economics and Finance.

« The purpose of the International Competition of Master's Theses on Economics and Finance is to reward the most inventive research papers of master graduates. »

The competition is open to research papers that deal with an economic or financial problem in one of the following areas:

- **Accounting**
- **Asset and Liability Management**
- **Banking**
- **Corporate Finance**
- **Economics**
- **Financial Analysis**
- **Financial and Commercial Law**
- **Financial Markets**
- **Financial Services**
- **Insurance**
- **Real Estate**
- **Risk Management**

The theses received are submitted to a jury of distinguished personalities of financial, higher education and research backgrounds.

As every year our sponsors and partner associations distribute a Top Prize of €10 000 and nine other 'professional' prizes to the winners on the occasion of an award ceremony that takes place the first semester of 2012.

If you graduated in Finance or Economics and your thesis was written in **French or English, defended after September, 1st 2010, graded with 15/20 or B+ or better**, then do not hesitate and try your luck to become one of the nominees of our Competition in 2012.

Please send a **paper version** of your thesis, the registration form, the non-plagiarism form and the publication authorisation form by post to **Mémoires de l'Économie et de la Finance, Centre des Professions Financières, 20 rue de l'Arcade, 75008 Paris, FRANCE** and your complete thesis and a one-page synopsis of the thesis in WORD or PDF format (an unlocked format; a named version and a nameless version¹) to cimef@professionsfinancieres.com.

For more information please contact Anna Lisa Wienke (+33 (0)1 44 94 02 55) at the Centre des Professions Financières.

¹ Please remove all names for the anonymous version (student, professor, university, etc.).
